Summary

Associate Product Manager transitioning from business analysis. 1.5 years of PM experience in a consumer app.

Experience

Associate PM — Halodoc (2023 – Present)

Supported the senior PM on the doctor-side dashboard. Wrote PRDs, ran user research sessions, and tracked engagement metrics in Mixpanel. Helped prioritize the roadmap backlog.

Business Analyst — Grab (2022 – 2023)

Analyzed ride-hailing data; built weekly dashboards in Looker.

Skills

Product, SQL, Mixpanel, Figma, PRDs, user research, wireframing, communication

Education

B.Sc. Information Systems — Universitas Bina Nusantara, 2022
